YOUR TOWN DUMP

Use it freely

Care for it

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised — regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you — personally and financially.

If, however, you do burn on your premises

1. Secure a permit from your local forest fire warden — the law requires it. The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty.

Use your dump freely

Help keep it safe

Number of local fires	2
Number of acres burned	710
Number of permits issued	78

1956 COURTESY TOWN MEETING

NOTICE**TO THE RESIDENTS AND NON-RESIDENTS OF THE TOWN OF NEWBURY**

There will be a courtesy town meeting held at the Town Hall in South Newbury on Saturday the 18th day of August 1956 at 7:30 P.M.

Clarence B. Perry
Joseph Horton
Frederick S. Cook

The meeting was opened by the moderator who read the notice and explained the purpose of the meeting. Those present who had recommendations, submitted them to the moderator and they were acted on as follows:

ARTICLE 1. We, as a collective body ask the town's help in improving the cove. For several years we have worked on the beach; this year a group of people have done a lot; we ask the town to remove the dirty sand and cinders — the place to be filled with some white sand.

The folks have paid collectively for the signs, which cost in the neighborhood of \$30.00. Last summer on one Sunday there were 68 people on beach. The place was strewn with bottles, cans, garbage and what have you. Of course we, the regulars had to clean up the place. That is the reason for the signs. We do not wish to take over the beach, just to keep it clean. Our childrens' health is important, also your childrens'. We have been very fortunate no disease has been brought to the beach, and would like to keep it so.

Augusta Newkirk

The ownership of the land was discussed and Mrs. Newkirk stated that the owner of the Claremont-Concord R. R. had given permission to use the land they own and had no objection to the use of the right of way for the beach and drawing in some sand. The article was referred to the selectmen.

ARTICLE 2. We respectfully petition that the town take over and maintain the public dock at Blodgett Landing.

Frances A. Obey

As the town would have to have the property deeded to them and be accepted at a regular town meeting, Mr. Horton suggested the Cottage Owners Association present a formal petition to the selectmen in time for the town warrant.

ARTICLE 3. Suggestion: That a NO PARKING sign be placed at the entrance of Bay Point Road and no parking be allowed on black top on this curve. Also DEAD END ROAD at the entrance of Bay Point Road.

Arthur L. Bradbury

This article was referred to the Selectmen.

ARTICLE 4: To see what action the town will take to supply the beach so called "Railroad Beach or The Cove" with two or three or more loads of fine sand to make a decent beach for all of us.

C. R. Stark

This article was discussed under article #1

ARTICLE 5: What action town will take in regards to taking over the public dock at Blodgett Landing and maintain.

Mr. & Mrs. John E. Hilton

This article was discussed under article #2

ARTICLE 6: Why no swimming lessons at State Beach this year?

John F. Roche

The town has no authority at the State Beach but the moderator, Mr. Milligan offered to contact a member of the Recreation Department for an explanation.

ARTICLE 7: On Sept. 22, 1955, the selectmen received a petition from the residents of Chandler Bay area regarding the condition of the beach since the State Beach was put in. What action has been taken?

Hazel Barnes

The selectmen contacted the proper authorities and some tests were made and they agreed to make a further study this summer. However it appears that it has not been done and the selectmen agreed to refer the matter to the authorities again within a week.

(Later in the meeting it was suggested by Arthur Bradbury that the cottage owners contact a lawyer.)

ARTICLE 8: We would like a road through park 10 so we can get back and forth to our cottages.

Frances Malliares
Margaret G. Steele
Sadie J. Sears
George E. Steele

A petition has been received by the selectmen and the article will be placed in the warrant.

ARTICLE 9: What action was taken in regard to garbage collection?

Dr. Gallagher

The selectmen explained that the article was tabled. Dr. Gallagher expressed the wish that the article would be reconsidered.

ARTICLE 10: Suggestion: 2.3 miles N. E. of Newbury on 103A — remove blind corner — say 15'.

William S. Gutwillig

This article will have to be taken up with the State.

ARTICLE 11: Who do I contact regarding assessment on cottage tax bill made out in wrong names?

Mrs. John Fisher

Contact the Tax Collector or Selectmen.

It was moved and seconded that the Selectmen receive a vote of thanks for having a courtesy town meeting. Mr. Perry, Chairman of the board explained that the selectmen are bound to carry out the vote of the people at town meeting and that they are not always able to comply with the wishes expressed at the courtesy meeting.

The motion was made, seconded and voted that at the time of the next courtesy meeting, an invitation be extended to a representative of the State Recreation Department, The Highway department and the Health department to attend the meeting.

Announcement was made of a covered dish supper on the 25th at the Veterans Hall.

The meeting was attended by about 50 non-residents and several residents; Clarence B. Perry and Joseph Horton, Selectmen, Harold Folsom member of the School Board; Merton Perkins, Road Agent; Randolph Milligan, Moderator; and Charlotte Allen, Town Clerk and Tax Collector.

The School Board has made continued improvements at the Central School. The front lawn has had new grass laid around the front of the building, and operations are underway to extend the playground. Additional fill has been trucked in and a large tree has been removed so that a larger ball field will be possible. With some more fill and grading, the children will have a very nice ball field on which to play.

The school lunches have been very well prepared and Mrs. Eaton is doing an excellent piece of work on the program. She is doing a great deal of extra cooking so that the children have hot rolls and other breads regularly. The children enjoy the meals and very little is left over from each meal, yet I am sure that everyone has enough to eat. As a matter of fact, instead of calling it the Newbury Hot Lunch Program, we should call it the Newbury Hot Dinner Program. Each meal served is a complete meal.

Mrs. Cole and Mrs. Goodhue are back with us again. The teacher supply becomes more acute each year and each year it becomes more difficult to fill teaching vacancies. We are getting a few more teachers from our teacher colleges, but the number of children in the nation's schools is increasing so rapidly that there are not enough teachers for all of us.

The ski program is an established part of the school program. It is a valuable part of the school curriculum, thanks to the cooperation of the parents of the Newbury school children. Without their help, it would not have been possible. I am proud of the program, and just a bit envious because I did not have such an opportunity when I was in school.

You have a fine educational program and I enjoy my visits to the Newbury School, very much. I am very grateful to the parents, teachers, and school board members for their efforts in trying to give the best education possible for our Newbury children.
